MONTHLY NEWSLETTER | NOVEMBER 2020

## A Word From the Pastor

**The 2020 election** → No way we can begin a newsletter article this year than with a mention of the election on November 3<sup>rd</sup>. First, vote, if you so desire. Second, pray, because you must. As followers of Christ, all of life is to be covered in prayer and we are to seek God's wisdom in our choices and His sovereignty in the outcome. Pray for the candidates – city, state, and national, and amendments. Third, move forward after the election, no matter the outcome, because that is what mature people do. We may be frustrated and disappointed, or joyful and thankful, but no matter the outcome, our faith is to be in God and His purposes, not man's government.

**Next steps in ministry** → We are taking more steps to return to a 'normal' ministry footing. Sunday, November 1<sup>st</sup>, we will have two community groups, a men's class and a women's class, beginning at 9:45 a.m. On the 1<sup>st</sup> children's worship will also begin at 11:00 a.m. in the children's worship room, D-107b. On Monday, November 2<sup>nd</sup>, The Rockholt's will host an adult co-ed community group in their home, starting @ 6:30 p.m. On Sunday, November 15<sup>th</sup>, I will outline in the morning service more that will be taking place as we continue to take 'next steps.'

Is it just me, or does playing REM's "It's The End of the World" seem appropriate right now? As I type this we are just a few days away from the next US Presidential election – the most important election of our time (you know, like 2016...and 2012 before that). Unsolicited advice: do not get caught up in America's favorite & fastest growing religion. Focus on Christ. Be a real light in this dark world...now more than ever.

The Bible Abridged. The youth have made another The Bible Abridged. This time we focus on Esther. Check out our church's YouTube channel on November 14. It's a fun, cheeky educational tool to get people to hear about God's Word that otherwise would not give it a second look.

Summer 2021. The BOT (Boss Orlando Trip) Retreat is now tentatively slated for June of 2021. This is a retreat that will challenge your teens to transform and roll out! Parents, be sure you check your emails and real mails for information, pricing, and fundraising.

As always it is a pleasure serving you. Have a great November! Let's press on.
