Intentionally Engaging the World with the Love of Christ

MONTHLY NEWSLETTER | MARCH 2022

A Word From the Pastor

As I write this, Russia has invaded Ukraine. Covid 19 officially enters its third year with us this month. The U.S. and world economies are less than stellar as inflation rises, wages do not keep pace, and supply chain issues persist. Those we know and love, even ourselves, continue to battle physical, emotional, mental, and relationship issues. Ain't I a ray of sunshine!?! :)

How do we respond to this reality? In Jeremiah 29, Israel was exiled and life was not as they desired. Instead of telling them to be sad, or 'Get over it,' He told them two things. First, He told them to live life where they were and not live in gloom (Jeremiah 29:4-7). Second, in Jeremiah 29:10, 11, He told them He had real plans for their future. Therefore, if they lived as He desired, He would work in them and accomplish blessings in their lives.

We are wise to listen to our Father. We do not always choose our circumstances, nor like them. However, if we will live for Him in them, and look to Him, His blessings and fulfilled promises will follow.

The world is looking for how to handle life on Earth. May we show them by living like the God of heaven.
In Christ, Pastor Albert

Happy 2nd Anniversary of "Two Weeks to Flatten The Curve"! Last year our youth department got a birthday cake, played games, and drank sanitizer punch (it wasn't really sanitizer). What will you do with the COVID terrible twos?

Dessert Auction. Thank you to everyone who made the dessert auction a success. Your spirit, your generosity, your creativity are what make it what it is. I hope you had a wonderful time. I know your dietitian did.

Beach Clean-up. On Saturday March 12 the youth will have a beach cleanup day. This serves as a great community service opportunity and a chance to get some fresh air. If your interested in your teen joining us. See Josh or Sam for details.

Orlando Is Coming. The sign up is open for this year's summer trip to Orlando. There are a few spots left open. Do not forget to contact Josh to sign up and lock in your spot.

As always, it is a pleasure serving you. If you have any questions, please contact me. Take care, God bless, and Happy Birthday 'Rona!

HOLIDAY HILL ELEMENTARY PROCTORS NEEDED FOR FSA TESTING

It's that time of year where we are already preparing for the testing season. We are in desperate need for volunteers to assist in the classroom. It is very simple duty such as getting a pencil for a student or walking them to the restroom. Volunteers would need to be here at the school by 8:30 a.m. and should be finished by 11:00 a.m. Also, volunteers would need to complete a free background check at duvalschools.org. It takes at least 5 - 10 days for results to come back. That is why we are starting to recruit volunteers early. Please contact Therese Burgess at 720-1676 to volunteer.
