

HOLIDAY HILL CHURCH

MONTHLY NEWSLETTER | JULY 2022

A WORD FROM THE PASTOR

Rest & Preparation – both are actions we take in our lives. We rest from work, and even from play. We rest to restore and refocus. We rest because God tells us to do so. We prepare for next steps in our lives, and for church, by seeking where God is leading and allow Him to prepare us as we head into that direction. We prepare because God tells us to do so.

As a church we rest after an active first six months of ministry and life, especially June. The end of the school year, followed a few weeks later by our student retreat to Orlando, followed the very next week by Vacation Bible School, leads to tired. I encourage no matter your ministry or life events, seek rest.

As a church we prepare for where God is leading. The end of summer, fall, and even a new year, are headed to us. We are currently preparing for the new school year by looking to the Holiday Hill Elementary School back to school lunch for teachers, August 11th, and back to school Sunday, August 14th. We are planning for a ministry weekend with other churches in our city September 16th/17th as we seek to *Love Jax* through compassion ministry events. Work is also underway for our Community Movie Night in October and Christmas ministry (yes, I said Christmas) throughout December.

To execute ministry effectively, each of us must find our place to serve. In July, you

will have that opportunity. Our Nominating Team is tasked with filling ministry positions every year, and in the coming weeks will be set up in the Lobby to show what is available, answer questions, and help you find a place. Please go see them. Also, not only do you choose to serve, but you get to choose who will serve you by nominating deacons for the coming year. In the Lobby cards are available for you to use to make such nominations.

Before I conclude, I want to mention *Love Jax weekend*, September 16th and 17th, in a little more detail. SEND Relief is an organization we support as Southern Baptists in our weekly giving. SEND Relief, through our North American Mission Board, ministers to men, women, children, and families throughout our nation. They will partner with Jacksonville churches to do so in September. Ministry projects, several in our area, will be available for you to participate. We hope to have several teams from our church involved. To learn more, go to www.servetour.org. Also, please be attentive to announcements and opportunities we lay out and plan to join in.

In Christ,

Pastor Albert
