

HOLIDAY HILL CHURCH

MONTHLY NEWSLETTER | JULY 2023

A WORD FROM THE PASTOR

What a wonderful week of Vacation Bible School (VBS) the week of June 19th. We had consistent attendance nightly & the children were awesome all week. I am so thankful for the leadership of Esther, Kim, & Maria, as well as the support of so many other leaders & servants.

Wednesday evening of VBS week was Dad's Night & we had a very good turnout as dads brought their children to VBS & then stayed & spent time w/ other dads and men from our church. We made connections with several men & thanked them for all they do for their families. No matter how culture pushes back on all truth, its debunking of the importance of dads is laughable as both research & life show their vitalness to their families & culture. This was substantiated by one mom who thanked me for having a dads emphasis night.

Holiday Hill Early Learning Center (HHELC) update. This month our contractual relationship with HHELC begins. They have done a tremendous amount of work to prepare for opening in August in regards to building preparation, curriculum preparation, & addressing staff needs. They are still working with the city on zoning issues, which hope to be resolved soon.

Fellowship Hall remodel update. Steadily our fellowship hall remodel is coming along. Walls are framed, sheet rock is being hung & the area is taking shape for what it will be. We are subcontracting

some of the work & doing some of the work ourselves, mainly by a small group of men who give almost every Saturday morning to this effort. If you have skills, or can work hard, follow directions, & are willing to be part of a team, please join in on Saturdays @ 8:30 a.m.

How can each of us support the ministries mentioned above? **Pray** – for us to connect with dads from VBS; for the HHELC zoning issues to be resolved quickly; for the safety of those working in the Fellowship Hall & for others to join them; for financing that allows more of our work to be contracted. **Give a hand** – offer to help HHELC as they set up rooms & work on the building exterior; be part of the Fellowship Hall remodel effort.

Encourage – compliment the HHELC team as they move forward & prepare; compliment the Fellowship Hall remodel team on the quality of their work & weekly effort. **Be financially generous** – finances allow tasks to be done well & quickly. First, ensure you are tithing as the Bible sets out, as that supports the daily church ministry. Second, give over & above the tithe to support the Capital Campaign & other initiatives. As others are sacrificing with their time & efforts, consider sacrificing with your giving.

I love you & am very blessed to be your pastor,
Pastor Albert
