

# HOLIDAY HILL CHURCH

MONTHLY NEWSLETTER | APRIL 2024

## *A Word From The Pastor*

Milestones, or mile markers, tell us where we are, or how far we have gone, or even how far we have to go. They are good gauges to which to pay attention as we travel.

As a church, our milestones officially began in 1964 when we were formed as a church in our current location. We have crossed many milestones since April 12, 1964, & this month we recognize another – 60 years of *intentionally engaging the world with the love of Christ.*

Why is this a big deal? Why do we as a church every five years set aside time to recognize when we began, how we began, where we are, and hopefully, where we are headed? We do so to remember and be thankful for those who had the desire and vision to start a church in this community. The effort began in 1962 and became official in 1964. We do so to honor those who got us to today. Many men, women, and families were faithful through the years, both in good times and not so good times, to ensure ministry continued and support it financially as well as with time, talents, and sweat. We do so to show we have chosen to have both a present and a future that creates other milestones.

What is required to have a viable present and future? It requires a mission and dream that compel us forward and guide our actions. It requires wisdom combined with effort to see what to do and do it. It requires loving one another, daily, even if we do not feel like it. It requires a focus on 'out there,' along with a ministry to 'in here.' It requires giving faithfully, and at times sacrificially, of our finances through tithes and offerings, along with time, presence, abilities, and talents. It requires pushing down the selfishness of 'it is about me' and elevating and looking out for one another.

At the end of April – April 28<sup>th</sup> – we will gather to celebrate, give thanks, and continue forward. I pray you will come, you will bring a guest, and you will be ready to keep moving.

In Christ,  
Pastor Albert

## Josh's World

Happy April, Everybody! This is one of those years when Easter has already come and gone by the time the month has started. I guess there's nothing left to do except watch Wrestlemania and the NFL Draft. Oh! There's also stuff happening at HHC.

**A Special Thanks.** Thank you to all who participated, purchased, and pigged out at our Easter Egg Hunt Concession Stand. Depending on what time you arrived, you may have also witnessed a complimentary (and unintended) pyrotechnic display. Your support is always a blessing.

**Happy 60<sup>th</sup> HHC.** Our 60<sup>th</sup> anniversary is taking place this month. I hope to see all of you there. It is going to be a great time.

I hope your April is a happy one. Take care and God Bless.
