A WORD FROM THE PASTOR

In August of 2023 I shared a dream with our church family of where I felt God was leading us. As I shared it & we discussed it, it became our dream & we have been reaching for it since then.

"Our dream is for our community to see Holiday Hill Church as a first option when seeking a church home where they can grow in spiritual maturity, raise & influence their families for Christ, and minister to their neighbors."

In the months since then we have seen the dream come true more & more as God has responded - we have seen as many guests as we have had in a long time attend, w/ many remaining; salvations, baptisms, & joining the church increased; new & continued opportunities for growth are available - Community Groups, leaning into families by leaning into men (MACHO93) & women (HOPE), *Get Fed*, Financial Peace University & serving our community through Vacation Bible School, *GoJax*, and through day to day actions.

As we celebrate where God is working & from where He brought us, we know it is time to re-vision the dream in order to keep going. During October we will do just that by celebrating what God is doing & being challenged to new opportunities as I share new dreams & ideas. We will also include an emphasis on stewardship (time, talents, treasures, & every part of our lives), because it is in giving back to God of what He gives us where the blessings become real. Please make a point of being with us each Sunday in October.

The office of deacon is a ministry of the church as found in Scripture, where God raises men up to serve the church. At Holiday Hill, the congregation recommends men to serve & the sitting deacon body pursues those whom they feel are called into that service. When a person is called into & accepts the role of a deacon, we 'ordain' him, which is a time of setting one aside for that service. On October 6th we will ordain Tweet Clark into the deacon ministry during the morning service; you will want to be part of this time.

We have two community outreach opportunities in October. On October 5th we will participate w/ other churches in the south side area to minister to our community via *GoJax*. We will have opportunities to serve @ Holiday Hill Elementary School & the Southside Baseball Association fields. Please sign up @ www.gojax.net & join us. On October 26th we will host a community **Movie Night**. We will provide concessions for the night w/ proceeds going to the Ecuador Mission trip, June 14-20, 2025.

I love & appreciate you. October will be a great month of ministry together. :) In Christ, Pastor Albert

JOSH'S WORLD

Spooky season is upon us! You know what that means? Candy corn graces our lives yet again for another year! Some of you may not like candy corn. Some of you may also still need Jesus in your life.

I'm sure both groups have a ton of overlap. Probably not a coincidence. 😊 What's your favorite candy of the season? Reece's Peanut Butter Pumpkins are also an acceptable response.

Get Fed. Last month's Get Fed was amazing fun. We had food, fellowship, and more food. October 13 we're doing it again. This time we're asking folks to bring Italian food. Pasta. Pizza. Cheese. More cheese. Tomato sauce. This is going to be the Get Fed you do not want to miss.

Costume frivolity. The youth will be having a costume gathering on Wednesday night October 30. Wear a costume. Eat snacks. Play games. Be sure to follow our costume rules. If you have any questions with respect to those rules, please see me before October 30 (or before you put too much investment into said costume).

If you have any questions please contact me. Have a wonderful October and eat all the candy corn you can.
